English, Filipino,
and Cebuano/Bisaya

HOBBIES

Dancing, Wattpad, Barbie,
Makeup, Singing & K-Dramas

PROFILE

20-year-old UI/UX designer crafting playful, human-centered interfaces - turning wireframes into experiences people actually want to use, one thoughtful screen at a time.

PROJECTS

Kvibe Music Player

UI/UX Redesign | Flutter Prototype

Full UI redesign: problem analysis, before/after screens, a consistent UI kit, and a clickable prototype.

Health Monitoring System

School System | Maloro Elementary School

Organizes student health records and streamlines daily monitoring for school staff.

This Portfolio

HTML | CSS | Vanilla JavaScript

Hand-built, framework-free portfolio focused on smooth motion, accessible interactions, and an easy-to-extend design system.

INTERESTS

Typography | Color Systems | Micro-interactions | Design Systems
